Dear Partner in Ministry,

Disaster can strike at any moment!

Parenting is hard these days. There are so many distractions and challenges facing the children of today. So much of the world is clamoring for their attention, creating diversions that promote evil and temptations that encourage sin.

Unless parents are guarding their digital devices and are vigilant about what their kids are seeing and hearing, disaster can strike at any moment.

Parenting is not a passive responsibility. The wisest man in the Old Testament said that parents are to actively “train up a child.” I like the way the New Living Translation describes this Bible text.

“Teach your children to choose the right path, and when they are older, they will remain upon it.” Proverbs 22:6 NLT

Yet our enemy, the devil, is hard after every child and every family to destroy the knowledge of God, and to create havoc and disharmony. The New Testament tells us: *“Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour.” 1 Peter 5:8 NKJV.*

Those words have never been more applicable than today. This planet is racing toward destruction, but we must do all we can to keep our children safe! That’s why LifeTalk Radio provides safe programming for kids.

Teach your children to choose the right path, and when they are older, they will remain upon it.

Proverbs 22:6 NLT

It is a sobering thought to realize that Satan tries his best to force our children to adopt the desires and customs of the world. But we've been counseled by Paul, *"Do not be conformed to this world but be transformed by the renewal of your mind."* Romans 12:2 RSV

I like the way the Philips translation puts it: *"Don't let the world around you squeeze you into its own mould, but let God re-make you so that your whole attitude of mind is changed."* Romans 12:2 Philips

How do you "renew" a mind?

What this world needs is safe, wholesome kid-friendly entertainment and educational programs that will focus the attention and desires of our children in the right direction. They need Bible-based messages that directly combat the evil and worldly impressions around them.

LifeTalk Radio provides several programs specifically for children. When my son comes home from school, the first thing he asks is, "Is my program on, or am I too late?"

Unfortunately, LifeTalk is not currently able to broadcast programs for kids all day long. We provide programs for all ages. However, a dedicated channel for children is exactly what is needed. We've received repeated requests for children's programming to be accessible at all hours of the day and night. We've been asked over and over again to please create a dedicated channel that contains only continuous and wholesome programming for children.

Recently the decision was made to create a 24/7 streaming radio channel with only programming for children. This way they can tune in any time of day and listen to their favorite programs. These programs are Bible-based and focus on positive character training.

Here's the catch: this project will require a significant investment of funds. To be specific, we need \$50,000 to purchase the

Words of Wisdom

Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour.

equipment and software upgrades needed to launch the new LifeTalk KIDS streaming channel.

As we face this large task I'm reminded of the text, *"Without me you can do nothing."* John 15:5. But there is another text that says: *"I can do all things through Christ who strengthens me."* Philippians 4:13.

As we step forward, we claim this promise from Philippians. Right now would you pray with me for God to direct this new and special venture to protect our children from the onslaughts of the devil?

Please remember that LifeTalk Radio is a faith-based ministry, we depend on your love gifts to make it possible to keep sharing the love of Jesus through radio and into homes and hearts. Thank you for your ongoing support.

Your faithful servant,

John Geli
