MAY 2020

Dear Partner in Ministry,

Our planet is in crisis. Can you remember a time in your personal history that compares with the world we are living in today? Our current lives seem surreal as if you and I are living in some kind of doomsday movie.

People everywhere seem worried and devastated. They are asking if God is still in control. How do you answer those who stand six feet away from you and ask: "Where is God?"

Our world appears to be in greater need than ever before. And because of that, perhaps people's hearts are more open to some good news. But where do they find good news, when so much bad news abounds today?

My Bible asks this question: "*How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher?*" Romans 10:14

All of this underscores the vital need for LifeTalk Radio to bring rays of hope into the lives of people who are struggling, sick or dying. And it is your faithful gifts that help make this crucial ministry possible.

Right now, we must do all we can to expand our reach into the hearts and lives of people who desperately need a message of hope. Please help us do that right now. Your immediate gift, large or small can help reach a heart in need of Jesus—a life in need of salvation.

Another vital and immediate need we have is the launch of LifeTalk Kids, our new streaming channel dedicated to programming for children 24/7. Right now, as children are at home, rather than in school, there is a captive audience ready to listen to Bible-based and uplifting programs around the clock, seven days a week. Therefore, we must launch our new LifeTalk Kids streaming radio channel, as soon as possible. Children at home need wholesome entertainment and truth-filled, educational programs.

We need to protect children and grandchildren from more than a destructive pandemic we need to shelter them from the infection of sin. The aim of LifeTalk Kids is to do just that. But we need your immediate financial help in order to make it happen.

As people are isolated and asked to live with social distancing, radio remains a most powerful way to reach hearts.

Your investment in radio ministry will change lives. Thank you so much for your ongoing support of LifeTalk Radio.

In His service,

John Geli
Manager/Director, LifeTalk Radio

Radio in Great Demand

We are living in an unprecedented time in world history. Isolation and social distancing have become the norm. As a result media consumption is peaking. According to Nielsen, the global marketing research firm: "Americans are already spending almost 12 hours each day with media, and that time could grow by 60% among those who stay indoors."

Due to the COVID-19 pandemic, radio listening has increased. Here is more from Nielsen: "Amid the various media options consumers have to choose from, including streaming platforms and connected TVs, a recent Nielsen survey found that 83% of consumers say they're listening to as much or more radio as they were before the pandemic."

This means that right now we have a fantastic opportunity to share the Gospel through RADIO. Now more than ever before, people need a message of hope and the assurance of salvation. If there was ever a time when YOU can make a difference, that time is now. Help LifeTalk share a Christ-centered message of hope and wholeness. Give today. Click the "donate" button at: lifetalk.net

How Are You Handling This Crisis?

How are you handling the changes and restrictions the coronavirus has caused in your life? We all like to feel "in control", right? But the coronavirus pandemic has taken many things out of our control. So, how do we handle this extra stress positively?

LifeTalk Radio featured a *Disclosure* program where Shawn Boonstra interviews Christian counselor Jennifer Jill Schwirzer about How to Handle Anxiety. She shared helpful strategies like asking ourselves "What CAN I do right now?"

This takes the focus off of what I can't do, and helps me to focus on a positive plan of action. So, I started making a list of What I CAN Do

1. I CAN start my day with God, seeking His guidance and wisdom for the day ahead, reflecting on His Word, and letting His presence calm me.
2. I CAN choose to memorize and reflect on God's promises, like Psalm 46:1 "God is our refuge and strength, a very present help in trouble."
3. I CAN gather my family for family worship each day.
4. I CAN listen to LifeTalk Radio for inspiration, hope, and encouragement. (This is what Romans 12:1 calls being "transformed by the renewing of your mind.")
5. I CAN take a walk in the fresh air and sunlight, noticing the beauty in Nature, and praying for my neighbors along the way. This helps me to reduce stress.
6. I CAN choose to eat health-promoting foods. Together, our family can try cooking new healthful recipes.
7. I CAN go to bed earlier to help me to stay well.
8. I CAN tell others "You Matter to God" and "God Loves You" with free sharing ecards from LifeTalk Radio.
9. I CAN share God's hope and love by telling others how to listen to LifeTalk Radio, and by supporting LifeTalk with my prayers and finances.
10. I CAN write care notes and include a LifeTalk sharing card. Especially reach out to those who are sick or in care facilities.

What's on your "I CAN do" list? Are you listening to LifeTalk Radio? Would you share LifeTalk Radio with others, so they, too, can enjoy the uplifting Christ-centered programs?

"May the God of hope fill you with all joy and peace, as you trust in Him."
Romans 15:13
