August 2020

Dear Partner in Ministry,

Did you know that August 20 is National Radio Day? On this day, we recognize the value of radio in our lives and around this planet.

Radio provides a worldwide connection and continues to play a vital role in communicating the Gospel.

How does LifeTalk Radio influence your life? Do LifeTalk messages connect you with Jesus Christ and bring you hope? Does LTR inspire you for more healthful living?

Would you join us in thanking God for LifeTalk Radio, and how this network is changing lives for eternity?

Every day Bible-based truth is answering listener's pivotal questions. Every hour messages of hope reach people in need. And this is possible because faithful supporters like you continue to help God to bless this ministry with the resources needed to continue broadcasting God's love.

LifeTalk keeps me centered and focused on Jesus. Thank you for your prayers and for being there.

LifeTalk 24/7 Kids Streaming Channel has faced a number of setbacks, I’m happy to report that we’re making progress. Our computers have recently arrived and are being programmed with Christ-centered, character-building children’s programming.

Even when it appears the devil has diverted or destroyed our plans, God has promised us: *“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.”* Jeremiah 29:11 NIV

During this pandemic God’s promises are more important than ever. One of my favorite Bible promises: *And my God shall supply all your need according to His riches in glory by Christ Jesus.* Philippians 4:19

Speaking of needs, in April I told you it would take \$50,000 to create the LifeTalk Kids Streaming Channel. We are still short of that goal. We’re looking to God to supply all our needs, knowing that He sends blessings through those who love Him.

Would you allow God to bless LifeTalk by participating in this vital project for children? Your gift is an investment in children, giving them a picture of a caring God.

With your help, soon we will have an all new website: LifeTalkKids.net. Plus a new radio player both online and on mobile apps for kids of all ages!
