Connecting You With Christ

October 2021

Dear Partner,

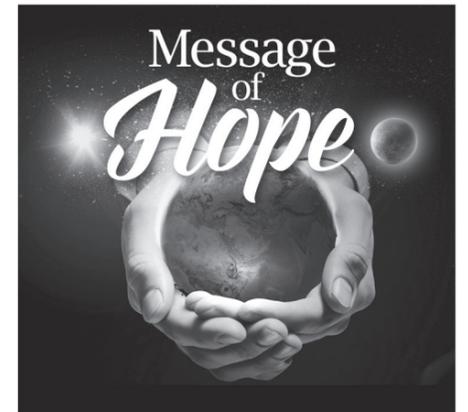

Radio makes a tremendous impact in sharing the Gospel. And your faithful support helps people discover messages of hope and the love of Jesus. In fact one of our programs is called, "Message of Hope." We regularly receive comments from listeners who appreciate this program.

William Penn said "Time is what we want most, but what we use worst." A year has 365 days or 8760 hours or 525600 minutes or 31536000 seconds. Have you ever wondered about what happens to all that time?

A study done on eating reports the average American spends 67 minutes a day eating and drinking. That adds up to over 32,000 hours in a lifetime. If you work 40 hours a week from age 20 to 65, and get an annual two-week vacation, you will have worked for 90,360 hours. The average person will also sleep for 229,961 hours during their lifetime. And the cheerful news from Brainboost.com indicates you'll spend about 10 years of your life standing in line!

Why am I sharing these interesting facts about time? Because every year LifeTalk Radio is on the air for 8,760 hours. And the cost for each of those hours is \$80. Which is actually a very inexpensive investment in sharing the Gospel with millions around this planet.

The annual budget for LifeTalk Radio includes broadcasting programs like "Message of Hope." And we need sponsors for this and dozens of other programs. It takes \$80 per hour, 24 hours a day, 7 days a week to keep this broadcasting ministry on the air. Thus your ongoing support is vital. This month, please consider supporting one hour of LifeTalk Radio. Or maybe you can sponsor two hours for \$160. Perhaps you'd like to sponsor four hours for \$320. Some may even be able to sponsor an entire day for \$1920. Please pray about what God would have you give.

"The Message of Hope speaker is so good! I'm really enjoying it!"

"I started listening about 2 months ago and I absolutely love your Message of Hope broadcasts. I wasn't following the Lord, and I stumbled on Lifetalk Radio by accident. I was drawn in immediately and have been listening ever since. I thank you for airing this program. I have been lost for many, many years. I believe God led me to this program to get back with Him."

Whatever you are able to share, please participate and discover the joy of giving. Thank you so much for helping us broadcast messages of faith, hope and love.

The month of October provides a splendid opportunity to use LifeTalk sharing cards, stickers and rack cards. You don't even need to leave your home in order to witness with these easy-to-use cards. At the end of October, children will be coming to your door for Halloween.
