*The cards you design are absolutely beautiful and inviting. Thanks for making such attractive cards available.*

*Thank you for the beautiful “You Matter to God” cards. I gave one to a young man who doesn’t go to church. He is 28 and never given his life to the Lord. It gave me a chance to witness to him. He asked for 3 more cards for his friends, put the cards in his wallet and LifeTalk.net on his phone. Thank you for letting me be a blessing. They are beautiful cards with a wonderful message and make it easy to witness.*

*I love your beautiful ecards. The pictures and the variety of messages are beautiful and impressive. As an elder at my church, I have used many LifeTalk Radio ecards to encourage my church members as well as my family.*

Connecting You With Christ

March / April 2022

Dear Partner,

### Newsflash: LifeTalk Radio turns 30!

Yes, LifeTalk Radio celebrates its 30 year anniversary in 2022. Let me begin by expressing my sincere gratitude to God for guiding, sustaining and protecting this media ministry. Also please accept my heartfelt thanks to YOU for your continued and faithful support and your prayers. Without these LifeTalk Radio could not exist.

The good news is that LifeTalk is turning 30. And the bad news is that LifeTalk is turning 30. Why do I say that? Surely the founders and many others in 1992 believed that Jesus would have come to take us home before 2022. But we are still residents on this fallen planet.

In 1992 when the founders launched LifeTalk Radio on just a single station with courage, faith and a strong belief that God wanted to use radio to spread the Good News, they had no idea how the future would unfold. It may be hard to fathom but LifeTalk has been in ministry for thirty years and still our earthly work and ministry is not yet over.

Today we can look into the past and see how God has led this radio ministry as well as in our individual lives. But we can’t see into the future. How many more years will LifeTalk Radio spread the Gospel before Jesus returns to take us home? We can’t know that, but we CAN be faithful to the end.

Yet, that is truly all that matters, isn’t it? Only what we do for Jesus will outlast anything else we do during our earthly journey. And your support of LifeTalk Radio makes a difference in the lives and eternal destiny of thousands around the world.

Over the past 30 years the LifeTalk Radio network has grown from just one radio station, KSOH in Yakima, WA to more than 200 stations around the globe. Some stations are owned and operated by the

LifeTalk network and many are owned and operated by local churches as LifeTalk provides the programming. In every case, life-saving messages of hope and encouragement, health and healing, plus uplifting music bring the listeners closer to a connection with Christ. In fact, as you probably know, that is our goal and motto: Connecting People With Christ!

By the way, people still listen on KSOH today. Here is a response from one listener:

*This station basically saved me! LifeTalk helped to grow my relationship with God. And as a new Christian, I learned so much*

*from LifeTalk. It helped me to understand the Bible better and kept me focused on the church. LifeTalk is pre-set #1 in my truck and in my house. I LOVE the programming on LifeTalk! And the music calms me.*

Having just come through a traumatic pandemic, now more than ever before people realize they face an uncertain future. Radio listening is at an all time high, and today we have the opportunity to share the Good News of Jesus Christ with a world caught up in fear and uncertainty. Like never before hearts are open to the Bible-based answers presented on LifeTalk. And we must press forward and expand this media ministry.

Here is what listeners have shared with us:

*I'm thankful for LifeTalk because it fills my house with praise!*

*Hearing your voice and knowing people at LifeTalk care for me and are praying for me just lifted my Spirits which I desperately needed. GOD bless you and keep up the good work.*

*I have a great admiration and interest for the radio work that LifeTalk does. Thank you for all you do in providing quality radio ministry outreach.*

*Thank you! My radio is on LifeTalk 24/7. I can't sleep without your beautiful music and uplifting sermons. May God continue to bless you all. Maranatha!*

*I'm really enjoying listening to your "Message of Hope" podcasts. I wanted more of God. My wife and I were praying for truth and messages of hope. When I googled "message of hope" I found your podcasts. (I run a recovery ministry for addicts, which can be discouraging.) Your podcasts help me to grow spiritually and keep me encouraged.*

Comments like this are an evidence that God is helping LifeTalk listeners to connect with Christ!
